Trainer's Profile

- Ir Chong Kwet Hin (Frankie), a graduate of the University of Manchester (UK), Professional Engineer, PMP® trainer, certified HRD Corp and CIDB trainer, international speaker, and professional trainer, has more than 30 years of experience in leading and managing many large and small projects in various countries and industries such as engineering, telecommunication, construction, IT, education, military, and finance.
- Among his many achievements, he was instrumental in:Developing and implementing multiple nationwide multi-million-dollar engineering, telecommunication infrastructure, and construction projects in various countries.

- Re-engineering a 2000-user Fault Management Systems serving 4 million telephone customers, which brought about a leap frog improvement in operational efficiency and quality of customer care service.
- Leveraging his diverse working career and industrial experience as a Controller, Project Director/Engineer, Chief Information Technology Officer in local and international positions, Project Management Consultant, and a Chief Paper Examiner/Lecturer of a U.K. University project management module, he helps MNCs and SMEs improve productivity and effectiveness by providing strategic training and consulting services in the areas of Project Management & Methodology, Business Development, Business Process Re-Engineering, PMP® & CAPM® Certifications, Applied Project Management, Microsoft Project software applications, Project Risk Management, People Skills in Project Management, Project Leadership and Communication & Supervisory Management.

BOOT CAMP SUMMARY

Master the updated preparatory course for passing the latest PMI-PMP® Exam using the unique combo approach!

This combo is designed to prepare candidates with greater confidence to pass the PMI®'s (Project Management Institute of USA – www.pmi.org) PMP® (Project Management Professional) Exam, which is mandatory for getting the world's most respected and globally recognized PMP® credential for certified professional Project Managers. The PMP® Exam is based on the latest PMP Exam Content Outline.

This unique combo course consists of 2 packages:
1. A 5-day live webinar workshop.
2. A 24X7 access to a self-paced E-learning package.

The tutorial will focus on the latest PMBOK® Guide, Agile Practice Guide, and other areas not specifically covered by the Guides, practice exercises, quizzes, and study exam-taking tips using PMI® terminology. The level of understanding in learning and memorization is further enhanced by the follow-up 24/7 access to an online audio-video self-paced E-learning package which will provide unlimited revision on all lectures and more practice exam questions and answers. You will earn 35 PMI-approved education contact hours upon completion of the webinar and all the E-learning modules, which will qualify you to apply to PMI to sit for the PMP Exam.

WHO NEEDS TO ATTEND

- Any project practitioners, leaders, coordinators, managers, analysts, senior managers, consultants, contractors, product managers, directors, program managers, sponsors, stakeholders, and team members in any industry with a minimum of 3 years of working experience.
- Participants should visit the certification section of the PMI website (www.pmi.org) to check on the prerequisites and eligibility criteria and consider an online application for the exam before the course begins.

BENIFITS OF PMP CREDENTIAL

- PMP® credential is the world's most prestigious and internationally recognized credential for certified professional Project Managers/Executives
- Demonstrate that you have a solid foundation of project management knowledge that can be readily applied in the workplace, and as a result, you can command respect and a world-class professional reputation.
- Gives you a competitive edge in enhancing customer acceptance and marketability.

WHAT YOU'LL GET & LEARN

- Expert instruction from an experienced PMP instructor, who is also an HRD Corp certified Trainer
