

# 2 DAY COURSE ON BEM PROFESIONAL COMPETENCY EXAMINATION (PCE) PART A ON COMMON PAPER

## SYNOPSIS

- The Registration of Engineers Act 1967 had been amended and took effect on 31st July 2015. Under the Act, a two-tier system of registration of Professional Engineers was introduced. One class is Professional Engineers who will go through the existing system of passing PAE or for being a Corporate Member of the Institution of Engineers Malaysia (IEM). The other class is Professional Engineers with Practicing Certificates
- The course will test the candidates' knowledge on laws governing the profesion.
- The responsibility of a profesional towrds the general public & standards of profesialism and ethical behaviour.
- In order for a professional engineer to obtain the Practicing Certificate, he must sit and pass the Professional Competency Examination (PCE).
